

Finovative AI

CLIENT AGREEMENT

Version: December 2024

RISK WARNING:

Trading leveraged derivative products such as Foreign Exchange (Forex), Contracts for Difference (CFDs), or other financial derivative products carry a high level of risk to your capital. All these products, which are leveraged derivative products, may not be appropriate for all investors. The effect of leverage is that both gains and losses are magnified. The prices of leveraged derivative products may change to your disadvantage very quickly, you can lose more than your invested capital, and you may be required to make further payments. Before deciding to invest in any financial product, you should carefully consider your investment objectives, trading knowledge and experience, and affordability. You should only trade in Forex and CFDs if you have sufficient knowledge and experience of the risky nature of the products, the risks involved in trading such products, and if you are dealing with money that you can afford to lose. You should seek independent professional financial advice if you are in any doubt.

- f) **Finovative AI** reserves the right to decline to enter into any Order proposed by the Client or an Authorized User. **Finovative AI** shall not be obliged to give a reason. However, **Finovative AI** shall promptly notify the Client that **Finovative AI** has not created an Order with the Client.
- g) When the Client, or an Authorized User, contacts **Finovative AI** by either telephone, email, face-to-face, or through an Online Service and provides the appropriate Client reference number (and such other security checks as **Finovative AI** may specify), **Finovative AI** may, but is not obligated to, ask for the following information:

k) Where the Client is using a Third-Party Online Platform, and the Client selects a feature offered by the Third-Party that facilitates trades automatically, then acceptance of the Order occurs automatically for each Order placed by the Third-Party, subject to the terms of the Third-Party's agreement with the Client, and subject to **Finovative AI's discretionary right to create an Order.**

l) You acknowledge that **Finovative AI is not making any discretionary decisions to buy or sell Financial Products on the Client's behalf, but rather, the Client is choosing to use trading strategies offered by a Third-Party via a Third-Party Online Platform.**

c) If the Client cancels or fails to perform an Order, the Client is liable for any loss or damage suffered by **Finovative AI** in closing out Orders which the Client has cancelled or failed to perform.

A Hedged Position may be a Fully Hedged Position or a Partially Hedged Position.

b) **Finovative AI reserves the right to reduce the Deposit to zero for Fully Hedged Positions. We also reserve the right to reduce the Deposit for Partially Hedged Positions. If we choose to reduce the Deposit, we do not waive the right to require a deposit at any given time.**

c) **You acknowledge and agree that if the Deposit for a Hedged Position has been reduced and you close anyone Open Position that forms part of the Hedged Position, it will immediately trigger the full Deposit for the Open Position. d) **Finovative AI may close all or part of any Hedged Position at any time without notice at the Close-Out Value where we reasonably believe that the Hedged Position is being abused by a Client, including where we reasonably believe that such Hedged Positions are not in the ordinary course of trading, or where it constitutes Suspicious Trading Activity.**

c) If **Finovative AI** is unable to perform its obligations under this Agreement or an Order because of factors beyond its control or because of a Force Majeure Event, **Finovative AI** will notify the Client as soon as is reasonably practicable and will use reasonable endeavors to secure the return of any money paid by the Client in respect of which **Finovative AI** has been unable to discharge its obligations under this Agreement.

If they do not reach agreement within that period, each will be released from its obligations under the relevant transaction.

a) Trading hours for Margin FX Contracts and CFDs vary and will depend on the relevant Underlying Instrument's hours of operation. The trading hours are published on our website.

b) We are under no obligation to quote prices or accept Orders on a public holiday in any jurisdiction which, in our reasonable opinion, affects the relevant value of the underlying asset or assets to the OTC derivative contract **Finovative AI** offers. We give notice of such public holidays and the underlying asset or assets affected on the Online Service.

4. MARGIN

4.1. INITIAL MARGIN

a) Before placing a trade that creates an open Position, the Client is required to pay into the Account the Initial Margin for that Position as calculated by **Finovative AI**.

4.2. MARGIN OBLIGATIONS

- a) The Client must pay to **Finovative AI** such amounts of Margin as it may require under this Agreement.
- b) A Margin Deposit is credited by **Finovative AI** at the time cleared funds have been received into the Client Account or such earlier time as allowed by **Finovative AI**, so a Margin requirement for any anticipated or Open Positions by **Finovative AI** is not satisfied unless and until the Client's payment is received in cleared funds into the Client Account.
- c) **Finovative AI** will not be liable for any losses, including losses arising from real or Open Positions, if a Margin Deposit or payment is not received in cleared funds into the Client Account.
- d) The Client must maintain at least the amount of Margin required by **Finovative AI**, whether or not **Finovative AI** gives any notice to the Client to make those payments or the Client has actual notice of the required amount. The required amount of Margin can change continuously, including over the weekend or other non-trading days.
- e) It is the Client's sole responsibility to always monitor through the **Finovative AI** Trading Platform any notifications that **Finovative AI** may, but is not obliged to, provide regarding the Margin deposited or any Minimum Margin requirement under this Agreement, having regard to such matters as:
- i. your open Positions;
 - ii. the volatility of any relevant Underlying Instrument;
 - iii. the volatility of the Underlying Market and the markets generally;
 - iv. any applicable Exchange Rate risk; and
 - v. the time it will take for you to remit sufficient cleared funds to **Finovative AI**.
- f) The Client must ensure that for as long as they have an Open Position, their account is sufficiently funded to cover the required Margin. If not, the Client's Open Position may be Closed Out by **Finovative AI** without prior notice to the Client.
- g) **Finovative AI** may, in its absolute discretion, provide the Client with further time to meet their Margin Requirements. Such permission will only be effective once confirmed in writing by **Finovative AI** and only to the extent provided in the notice.
- h) If **Finovative AI** asks the Client to transfer money to it to meet its Margin requirement, the Client must take this action immediately. If they don't, **Finovative AI** will consider it a Default Event under these terms. **Finovative AI** may also cancel any Orders or Close-Out one or more of the Client's positions or part of their positions at its sole discretion without being liable to the Client, regardless of whether the Client transfers additional money to it.

4.3. MARGIN CLOSE-OUT

a) **Finovative AI**'s Margin practice is an automated process where the **Finovative AI** Electronic Trading Platform displays a visual warning on your Account online at different Margin levels. If the funds in your Account only cover 80% of the margin requirements, a Margin Call alert will be triggered, and you will receive a visual warning automatically on the **Finovative AI** Trading Platform. If the funds available in your account only cover 50% of the margin requirements for your open Margin FX or CFD positions, your worst-performing Margin FX or CFD positions (i.e., the CFD with the largest margin requirement) will be automatically closed out.

4.4. CHANGING MARGIN PERCENTAGE

a) **Finovative AI** may vary the Margin Percentage in respect of any Position at any time by giving notice in accordance with clause 16.

b) Any variation of the Margin Percentage and/or increase in Margin or Minimum Margin requirement will be due and payable immediately on **Finovative AI** demand.

4.5. MARK TO MARKET PAYMENTS

a) **Finovative AI** calculates the Order Value as at each Valuation Time.

b) If at a Valuation Time:

- the Short Party must pay the Long Party the excess of the Order Value over the Previous Order Value; or
- the seller must pay the buyer the excess of the Order Value over the Previous Order Value; or

ii. the Order Value is less than the Previous Order Value:

- the Long Party must pay the Short Party the excess of the Previous Order Value over the Order Value; or
- the buyer must pay the seller the excess of the Previous Order Value over the Order Value.

c) If on the Close-Out Date:

i. the Close-Out Value is greater than the Previous Order Value, the Long Party must pay the Short Party the excess of the Previous Order Value over the Close-Out Value; and

ii. the Close-Out Value is less than the Previous Order Value, the Short Party must pay the Long Party the excess of the Previous Order Value over the Close-Out Value.

d) All Mark to Market Payments:

i. **Finovative AI** owes to the Client are credited to your account; and

ii. you owe to us are debited from your account, on the Same Day as the relevant Valuation Time or Close-out Date.

4.6. FORCED LIQUIDATION

a) The Client is required to maintain a sufficient level of Margin. **Finovative AI** reserves its rights to close out all Open Positions:

i. if at any time the Deposit held by **Finovative AI** is approaching or is no longer sufficient to

cover the negative mark to market value of any or all Open Positions that the Client has open with **Finovative AI**; or

ii. at any time, and from time to time, **Finovative AI** determines that the value of all of the Client's Open Positions represents a substantial net unrealized loss to the Client such that, in **Finovative AI's** belief, the continued trading, or failure to Close Out, one or more of the Client's Open Positions will or is likely to materially prejudice the Client's Account Value.

b) **Finovative AI** shall have the right, at our sole discretion, to determine the Mark to Market value from time to time.

c) In addition to other remedies available to **Finovative AI**, if the Client fails to pay any amount when due under this Agreement, or if a Default Event occurs, **Finovative AI** has the right to terminate (by either buying or selling) any or all of the Client's Open Positions.

5. CHARGES AND CREDITS TO THE ACCOUNT

5.1. INTEREST CHARGES ON OPEN MARGIN FX POSITIONS

a) Where an Order for a Margin FX contract is held overnight, the Order is subject to a Swap Charge or Swap Credit determined by **Finovative AI** in accordance with this clause:

i. if the Client is the Long Party and the Bought Swap Rate is higher than the Sell Swap Rate, **Finovative AI** must pay you interest on the Open Position of any Orders at the rate that is the Bought Swap Rate minus the Sell Swap Rate;

ii. if the Client is the Long Party and the Bought Swap Rate is less than the Sell Swap Rate, the Client must pay **Finovative AI** interest on the Open Position of any Orders at the rate that is the Bought Swap Rate minus the Sell Swap Rate;

iii. if the Client is the Short Party and the Sell Swap Rate is higher than the Bought Swap Rate, **Finovative AI** must pay the Client interest on the Open Position of any Orders at the rate that is the Bought Swap Rate minus the Sell Swap Rate; and

c) Where an Order for a Margin FX contract is held overnight, the Client agrees to pay **Finovative AI** a transaction fee of up to 10% of the value of the Swap Charge or Swap Credit.

d) Swap Charges or Swap Credits and **Finovative AI's** transaction fee are calculated and applied to your account at the beginning of the next Trading Day.

e) No Swap Charge, Swap Credit, or transaction fee is payable where an Order for a Margin FX contract is opened and closed on the same Trading Day.

5.2. INTEREST CHARGES ON OPEN SPOT CFD POSITIONS

a) Where an Order for a Spot CFD is held overnight, the Order is subject to a Swap Charge or Swap Credit determined by **Finovative AI** multiplying the value of the contract at the end of the Trading Day by the Reference Interest Rate and adjusted for any dividend in relation to the underlying asset or instrument.

b) **Finovative AI** may, on its website, designate a spot CFD as a swap-free Spot CFD. Where an Order for a swap-free CFD contract is held overnight, the Order will not be subject to a Swap Charge or Swap Credit for the first seven days that the Order is held overnight, provided that the Client does not engage in Suspicious Trading Activity with respect to the Order. If the Order remains open for more than seven days, the Order may be subject to a Swap Charge or Swap Credit determined by **Finovative AI** in accordance with clause 5.2a) from day eight onwards. If **Finovative AI** reasonably believes that a Client has engaged in Suspicious Trading Activity with respect to a swap-free Spot CFD, **Finovative AI** reserves the right to apply Swap Charges or Swap Credits retrospectively from the opening of the Order and to take any other action that is permitted under this Agreement in relation to Suspicious Trading Activity.

c) Where an Order for a Spot CFD (except for Cryptocurrency CFD) is held at the Close of Trade on a Friday, the Swap Charge or Swap Credit is adjusted to reflect the cost of holding the position until the following Monday.

d) Swap Charges or Swap Credits in relation to Spot CFDs are calculated and applied to your account at the beginning of the next Trading Day.

c) Where an Order for a Futures CFD is held at the Close of Trade on the Close-Out Date, an adjustment will be applied to the Client's account to reflect the difference between the old contract price and the new contract price for the Futures CFD, less an administration fee of 2.5 basis points payable to **Finovative AI**.

d) Cash adjustments will be applied to the Client's account on the first Trading Day of the new contract.

5.4. COMMISSIONS, FEES, AND EXPENSES

a) In addition to any other fees or charges set out in these Terms, the Client agrees to pay:
i. an amount equal to any other fee charged or levied on **Finovative AI**, or other expenses

incurred by **Finovative AI**, arising from any action taken pursuant to this Agreement; and

ii. all relevant taxes and expenses incurred by the Client in connection with this Agreement.

b) The Client confirms and acknowledges that **Finovative AI** is, without limiting its powers to recover amounts owing by the Client to **Finovative AI** in any other way, permitted to deduct, without further reference to the Client, charges relating to any services provided by **Finovative AI**, including administration charges (including but not limited to fees associated with returned cheques, payment processing, debt collection, and telephone transcript copies), charges relating to the use of the Online Services, and any transaction fees charged to **Finovative AI** by others with respect to the Client's transactions, including, but not limited to, tracing fees.

e) The Client agrees that **Finovative AI** may at any time share transaction fees and charges with any other persons without being required to disclose the sharing of such fees and charges to the Client unless such disclosure is required by law.

5.5. SWAP FREE OR ISLAMIC ACCOUNT

a) Clients who hold a Swap Free Account will be charged an administrative fee instead of being credited or debited with a Swap Charge when holding a position overnight. **Finovative AI** reserves the right to change the administration charges from time to time. Apart from this difference, Swap-Free Accounts have the same trading conditions and terms as **Finovative AI**'s regular Client accounts.

b) If a Client holds an existing regular account and wishes to convert that account to a Swap Free Account, the client must make a request in writing to our support team. The conversion from a regular account to a Swap Free Account can only take place if all positions on the regular accounts are closed and the account is reconciled.

c) Swap Free Accounts are to be used in good faith, and the Client may not use the Swap-Free Account to make profits from swaps or by not paying swaps. The Client may not request the payment of any Swap Credit amounts that have been lost as a result of converting Client account(s) into one or more Swap-Free Accounts for the period during which the Client's account(s) have been converted into one or more Swap-Free Accounts.

d) **Finovative AI** reserves the right to revoke or cancel a Swap Free Account without having to provide any reason. If **Finovative AI** detects that a Swap Free Account is being abused by taking advantage of not paying swaps, in the form of, but not limited to fraud, manipulation, cash-back arbitrage, carry trades, or other forms of deceitful or fraudulent activity with the usage of a Swap Free Account, then **Finovative AI** reserves the right to take immediate action in the form of:

i. with immediate effect, revoking all live trading accounts that are under suspicion of exploitation.

- ii. correction and recovery of accrued swaps and related accrued interest expenses and/or costs pertaining to all of the Client's Swap-Free Accounts for the period during which the accounts were converted into Swap-Free Accounts.
 - iii. with immediate effect, termination of the Agreement; and/or
 - iv. with immediate effect, nullifying all trades carried out on the client's trading accounts and cancelling any profits earned or losses incurred on such client's trading accounts.
-

6. GUARANTEE

- a) A Client's obligations under the Agreement must be guaranteed:
 - i. where the Client (including a trustee) is a company, by each director of the Company; and
 - ii. in any other circumstance, where **Finovative AI** determines, in its absolute discretion, that such guarantee is required.
- b) The Guarantor acknowledges that **Finovative AI** is acting in reliance on the Guarantor incurring obligations and giving rights under this guarantee and indemnity.
- c) The Guarantor unconditionally and irrevocably guarantees to **Finovative AI** compliance with their obligations in connection with the Agreement, including each obligation to pay money.
- d) If the Client does not comply with those obligations on time and in accordance with the Agreement, then the Guarantor agrees to comply with those obligations on demand from **Finovative AI**. A demand may be made whether **Finovative AI** has made demand on the Client.
- e) The Guarantor indemnifies **Finovative AI** against any liability or loss arising from, and any costs it incurs, if:
 - i) the Client does not, or is unable to, comply with an obligation the Client has (including an obligation to pay money) in connection with the Agreement; or
 - ii) an obligation the Client would otherwise have under the Agreement (including an obligation to pay money) is found to be unenforceable; or
 - iii) an obligation the Guarantor would otherwise have under clause 6 is found to be unenforceable; or
 - iv) a representation or warranty by the Client in the Agreement is found to have been incorrect or misleading when made or taken to be made.
- f) The Guarantor agrees to pay amounts due under clause 6 on demand from **Finovative AI**.
- g) **Finovative AI** need not incur expense or make payment before enforcing this right of indemnity.
- h) The guarantee in clause 6 is a continuing obligation despite any intervening payment, settlement or other thing and extends to all of the Client's obligations in connection with the Agreement. The Guarantor waives any right it has of first requiring **Finovative AI** to commence proceedings or enforce any other rights against the Client or any other person before claiming from the Guarantor under this guarantee and indemnity.
- i) The Guarantor acknowledges that, before entering into this guarantee and indemnity, it:
 - i. was given a copy of the Agreement (and all documents giving rise to your obligation in connection with the Agreement) and had full opportunity to consider their provisions; and

ii. is responsible for making itself aware of the Client's financial position and any other person who guarantees any of the Client's obligations in connection with the Agreement.

j) The Guarantor agrees to make payments under this guarantee and indemnity:

i. in full without set-off or counterclaim, and without any withholding or deduction unless prohibited by law; and

ii. in the currency in which the payment is due, and otherwise in United States dollars, in immediately available funds.

k) If the Guarantor makes a payment that is subject to any withholding or deduction, the Guarantor agrees to pay **Finovative AI** such additional amount to ensure that the amount received by **Finovative AI** equals the full amount **Finovative AI** would have received had no withholding or deduction been made.

l) The rights given to **Finovative AI** under this guarantee and indemnity, and the Guarantor's liabilities under it, are not affected by any act or omission of us or any other person. For example, those rights and liabilities are not affected by any act or omission:

i. varying or replacing the Agreement; releasing the Client or giving the Client a concession (such as more time to pay);

ii. releasing any person who gives a guarantee or indemnity in connection with any of the Client's obligations.

iii. by which a person becomes a Guarantor after the date of this guarantee and indemnity.

iv. by which the obligations of any person who guarantees any of the Client's obligations (including obligations under this guarantee and indemnity) may become unenforceable.

v. by which any person who was intended to guarantee any of the obligations does not do so or does not do so effectively.

vi. by which a person who is co-surety or co-indemnifier is discharged under a Client Agreement or by operation of law.

vii. a person dealing in any way with the Agreement or this guarantee and indemnity.

viii. the death, mental or physical disability, or liquidation, administration or insolvency of any person including the Client or the Guarantor.

ix. changes in the membership, name or business of any person.

x. acquiescence or delay by **Finovative AI** or any other person.

m) If any obligation is required, or may be required, to be complied with in connection with this guarantee and indemnity, the Guarantor may not, without our consent:

i. reduce its liability under this guarantee and indemnity by claiming that the Client or any other person has a right of set-off or counterclaim against **Finovative AI**; or

ii. exercise any legal right to claim to be entitled to the benefit of another guarantee, indemnity, mortgage, charge or other encumbrance given in connection with the Agreement or any other amount payable under this guarantee and indemnity; or

iii. claim an amount from the Client, or another guarantor (including a person who has signed the Application Form as a "Guarantor") under a right of indemnity; or

iv. claim an amount in your liquidation, administration or insolvency or of another guarantor of any of your obligations (including a person who has signed the Application Form as a "Guarantor").

7. CORPORATE ACTIONS

a) If a Corporate Action occurs, **Finovative AI** will reasonably determine what adjustment, if any, should be made to an Order to account for the dilutive or concentrative effect of any such event to preserve the economic equivalent of such Orders prior to the relevant event or to reflect the effect of such event on such Orders. Any such adjustments will be effective as of a date reasonably determined by us.

b) **Finovative AI** will not make dividend payments if:

i. a Client is the Long Party for a Share CFD which goes ex-dividend, **Finovative AI** will credit the Client's account with a cash adjustment to reflect the impact of the dividend on the Orders. The amount of the adjustment will depend on the amount of the gross dividend on the relevant number of Share CFDs on the ex-dividend date.

ii. a Client is the Short Party for a Share CFD which goes ex-dividend, **Finovative AI** will debit the declared cash dividend from the Client's account. The amount of the adjustment will depend on the amount equal to the gross dividend on the relevant number of Share CFDs on the ex-dividend date.

c) If an underlying asset to which an Open Position relates is subject to a Merger Event, **Finovative AI** reserves the right to close any or all affected Open Positions at any time during the Merger Event. **Finovative AI** will not close any Open Position that is subject to a Merger Event unless it has provided reasonable notice to the Client of a deadline for the Client to close their Open Position and the position remains open after this deadline.

d) **Finovative AI** reserves the right to adjust the opening price of any Financial Product that is subject to a Merger Event to reflect any cash portion of the offeror to amend the size to reflect any corresponding adjustment to the underlying asset caused by the Merger Event and/or to close the affected Open Positions and reopen a new position reflecting the new underlying asset that has been created. Any such adjustments will be effective as of a date reasonably determined by us.

e) If **Finovative AI** determines that no adjustment can be made under this clause 7(e) which would produce a commercially reasonable result, **Finovative AI** may close your Open Position at the Close-Out Value on a date reasonably determined by us.

f) Where the Client is the Long Party for a Share CFD in relation to a US stock or security, and the Share CFD goes ex-dividend, **Finovative AI** is required by US tax legislation to withhold 30% of the cash adjustment to reflect the impact of the declared dividend. **Finovative AI** will remit the amount withheld to its liquidity provider who will account for the withheld amounts to the proper US authorities. Clients can view amounts withheld for US tax legislation purposes from their account.

8. TRADING SUSPENSION AND DISRUPTION

a) If, at any time:

i. trading in any Underlying Asset on any exchange is suspended or halted; or
ii. trading is suspended or halted on any exchange which restricts trading with any relevant index so that **Finovative AI** is unable to determine the price of the Underlying Asset, then **Finovative AI** will take the price of the Underlying Asset as being the last traded price before the trading suspension or halt.

b) If the suspension or halt continues for 5 Business Days, **Finovative AI** at its discretion may

Close-Out your part or all of your Positions. When this happens, **Finovative AI** will decide the Close-Out date and the Close-Out value of your Contract in good faith (the Close-Out value will be the Underlying Asset price x the number of Contracts).

c) **Finovative AI** reserves the right at all times during any marketing limitations, suspension or disruption to adjust the price of any affected Underlying Asset.

9. AMENDMENT, ASSIGNMENT AND TERMINATION

9.1. AMENDMENT

a) The terms of this Agreement and any transactions under it may be amended by **Finovative AI** at any time. **Finovative AI** will provide Notice to the Client of any such amendment. The Client agrees to be bound by the terms of such an amendment on the earlier of:

- i. ten (10) Days after **Finovative AI** has issued a notification to the Client; or
- ii. on the date of the Client entering any Order after the amendment.

b) Any other amendments must be agreed to in writing between **Finovative AI** and the Client.

c) At no time shall either party enter commitments for or in the name of the other party or use their intellectual property for any purpose whatsoever. Except as specifically provided for in this Agreement, neither party will:

- i. use the other party's name or intellectual property without the prior written approval of the other party; or
- ii. represent itself as being affiliated with, or authorized to act for, the other party.

9.2. ASSIGNMENT

a) Any rights or obligations that the Client may have under this Agreement shall not be assigned, transferred, sold, or otherwise conveyed, except with the prior written consent of Finovative AI. However, Finovative AI may transfer any rights or obligations it may have under this Agreement to another party without the Client's consent, including, without limitation, in connection with the sale or transfer of all or part of Finovative AI's business to another person or entity.

9.3. TERMINATION

a) This Agreement may be terminated immediately by the Client or Finovative AI by providing written Notice to the other party. However, termination by either party shall not affect any Order or other transaction previously entered into and shall not relieve either party of any outstanding obligations arising out of this Agreement, nor shall it relieve the Client of any obligations arising out of any Order entered into prior to such termination.

b) If Finovative AI becomes aware of or has reason to believe any of the following:

- i. that the Client has provided false or misleading information to Finovative AI; or
- ii. that the Client has participated or is participating, or has assisted or is assisting, in money laundering or terrorist financing;
- iii. that the Client is being officially investigated by law enforcement and/or regulatory agencies;
- iv. that abnormal trading conditions exist;
- v. that Finovative AI is unable to make prices in the relevant Order due to the unavailability of relevant market information for reasons beyond Finovative AI's control;
- vi. that the Client may be in possession of "inside information";
- vii. a Default Event has occurred;

viii. an Insolvency Event has occurred in respect of the Client, then Finovative AI, at its sole discretion, may terminate this Agreement immediately by Notice to the Client. Finovative AI shall be relieved of any obligations set out in this Agreement or arising out of the transactions contemplated by this Agreement, including any obligations arising out of any Order already placed with Finovative AI.

c) Within two (2) days of termination of this Agreement, the Client will return or destroy all materials received from Finovative AI in accordance with Finovative AI's written instructions. Each party's duties of payment, delivery, and destruction of materials shall survive termination of this Agreement.

10. SET-OFF AGAINST MONIES OWED

a) In addition to other rights available to Finovative AI, the Client authorizes Finovative AI to:

- i. appropriate, transfer, credit, apply, or pay monies that may be received or held by Finovative AI on the Client's behalf in payment of any amounts which may be outstanding by the Client to Finovative AI or to an agent of Finovative AI in a transaction effected on the Client's behalf; and
- ii. set off against any amounts due to it by the Client, any amounts received by Finovative AI from or on behalf of the Client, including but not limited to monies received as Deposits or Margin Calls. Finovative AI may determine the application of any amounts which are to be set off at its sole discretion.

b) Payments by the Client to Finovative AI in accordance with this Agreement must be made without any set-off, counterclaim, or condition and without any deduction or withholding for any tax or any other reason, unless the deduction or withholding is required by applicable law.

c) Should the Client be required to make any form of deduction in respect of tax from any payment to be made, or if Finovative AI is required to pay any tax in respect of any payment made in relation to this Agreement at the Client's request, the Client agrees to keep Finovative AI indemnified against that tax and agrees to pay to Finovative AI any additional amounts required to ensure Finovative AI receives the full net amount that is equal to the amount Finovative AI would have received had a deduction, withholding, or payment of tax not been made.

d) Deposits or Margin Calls deposited by the Client will not fall due for repayment until the Client's obligations under this Agreement and under or in respect of any other account between Finovative AI and the Client are satisfied in full. Until this time, Deposits or Margin Calls will not constitute a debt due from Finovative AI to the Client, nor will the Client have any right to receive payment of these funds.

e) If the Agreement is terminated, the Client and Finovative AI agree that the claims against each other are finally discharged by means of close-out netting. Finovative AI will determine the Close-Out Values for each affected Order at its sole discretion. The final amount to be paid by one of the parties will be the difference between the payment obligations of the parties.

11. NEGATIVE BALANCE PROTECTION

The trading systems of Finovative AI are designed with safeguards to protect clients from

encountering negative balances when trading under normal market conditions.

All clients are provided with margin monitoring functionality. This functionality monitors the level of collateral should it drop below 100% of the required margin. If it drops below 100%, the margin call mode will be triggered and maintained until the level reaches 50%. Should the margin level equal or drop below 50%, Finovative AI will initiate the closure of current open positions, starting from the most unprofitable, considering the trading hours of instruments traded by the client. Positions will be closed automatically at the current market price. The clients can set personal limits for risk management purposes.

Should a client incur a negative balance due to a “market gap,” the client should inform the Finovative AI support team. Finovative AI will evaluate the inquiry and, at its discretion, may credit the client’s account with the amount of the negative balance where the debit occurred during normal trading activity. This policy is available to Private Clients only.

Clients are expected to always maintain the appropriate levels of margin in the trading account

as the recommended method of risk management.

NOTE: The provisions of this policy shall not apply to:

- a) A **Force Majeure Event**, understood as an act of God, war, terrorism, malicious damage, civil commotion, industrial acts, any exceptional market events, or acts and regulations of any governmental or supranational bodies or authorities which, in Finovative AI’s opinion, prevent an orderly market in relation to the Client’s orders;
- b) In abnormal market conditions or exceptional market movements/volatility, where the company determines, in its sole and absolute discretion, that the negative balance is unrelated to the Client’s trading activity (for example, where the debit relates to any fee or charges of the company);
- c) Where the negative balance is connected to or a result of, either directly or indirectly, breach of any provision by the Client of the Client Agreement of the company or from the breach of market rules, including but not limited to the laws of the Client’s country of origin, Client’s country of residence or any country*.

Negative Balance Accounts – Finovative AI is entitled to combine the balances of any other accounts you hold with us, including any Joint Accounts, to affect any set-off of amounts owing between you and Finovative AI, pursuant to our terms and conditions or otherwise, in each case in order to reduce or remove the relevant negative balance before effecting the negative balance protection provisions set out in this clause.

12. LIABILITY AND INDEMNITY

a) The Client shall indemnify and hold Finovative AI harmless from any and all liabilities, claims, costs, expenses, and damages of any nature, including, but not limited to, reasonable legal fees and any fees and expenses incurred in connection with litigation, arising out of or relating to the Client’s negligence or willful misconduct, the violation of any law by the Client, or the breach by the Client of any provision of this Agreement or if a Default Event occurs.

b) The Client also agrees to promptly pay Finovative AI for all damages, costs, and expenses, including reasonable legal fees and expenses, incurred by Finovative AI in the enforcement of

any of the provisions of this Agreement.

c) Finovative AI is not responsible for any delays, charges, or loss incurred due to errors in the payment or as a result of a delay in funds reaching the Client's nominated account. The Client agrees to indemnify Finovative AI and be liable for any losses or charges incurred by Finovative AI arising from such error on the Client's behalf.

d) Finovative AI will not be liable under any circumstances for any direct, indirect, or consequential loss (including any loss of profits) incurred by the Client as a result of any acts or omissions by a Third-Party.

e) Nothing in this Agreement is intended to limit or exclude any liability Finovative AI may owe the Client under any statutory rights the Client may have.

f) In calculating or mitigating its loss due to a Default Event, Finovative AI is entitled to:

i. crystallize, unwind, reverse, void, repair, or close any open positions by closing any open contracts; and/or

ii. nominate the date on which the open Order is valued; and/or

iii. nominate the methodology used to calculate the open Orders' value; and/or

iv. take any other action that Finovative AI determines to be reasonably necessary to protect its legitimate interests.

g) The Client's obligations under this clause 12 shall survive the termination of this Agreement.

13. INFORMATION AND CONFIDENTIALITY

a) The Client acknowledges and agrees that **Finovative AI** is authorized to carry out an electronic database search and consult credit reference agencies to verify the Client's identity and credit standing. Should such searches be conducted, **Finovative AI** may retain records of the contents and results of these searches in accordance with applicable laws.

b) **Finovative AI** reserves the right to collect any necessary information from the Client to fulfill its obligations under the Money Laundering Prevention Act and applicable Anti-Money Laundering and Counter-Terrorism Financing Laws. **Finovative AI** may disclose information obtained from the Client regarding transactions as required by applicable Anti-Money Laundering and Counter-Terrorism Financing Regulations, and is not obligated to notify the Client of such disclosures. **Finovative AI** may perform all relevant Anti-Money Laundering and Counter-Terrorism Financing checks on the Client (including restricted lists, blocked persons, and countries lists) as it deems necessary or appropriate.

c) Personal information collected by **Finovative AI** is treated as confidential and protected by Data Protection Law. **Finovative AI** will only collect personal information that is essential for the performance of the services outlined in this Agreement.

d) **Finovative AI** will handle the Client's personal information in accordance with its privacy policy, which the Client may review on the Website.

e) **Finovative AI** will implement reasonable precautions to maintain the confidentiality of information received from the Client and any material and/or data the Client provides, creates, inputs, or develops in connection with the Client's use of **Finovative AI** services. However, since such information, material, and/or data may be transmitted over the internet, the Client acknowledges and agrees that **Finovative AI** cannot guarantee the absolute confidentiality of such information, material, or data.

f) The Client accepts the risk that a third party may gain access to confidential information

concerning the Client. The Client specifically releases and indemnifies **Finovative AI** from any claims arising from a third party intercepting, accessing, monitoring, or receiving communications from the Client intended for **Finovative AI**, or communications from **Finovative AI** intended for the Client.

g) The Client acknowledges and agrees that **Finovative AI** may disclose the Client's name and other personal and financial information, as well as any relevant details of an Authorized User, to its employees, representatives, officers, agents, introducing brokers, and affiliates. This information may also be shared with governmental entities, self-regulatory authorities, internet service providers, or any third-party agents or service providers for any purpose related to offering, providing, administering, or maintaining **Finovative AI** services, or to comply with applicable laws.

h) Due to the inherent risks in transferring currency between parties located in different countries*, **Finovative AI** takes measures to ensure it is not participating in or assisting with money laundering or terrorist financing. Law enforcement agencies and regulatory authorities may periodically inspect and request copies of Client information and business records held by **Finovative AI**, to ensure compliance with all relevant anti-money laundering and counter-terrorism financing laws.

i) The Client should be fully aware that, in appropriate cases, all communications and information concerning the Client held by **Finovative AI** may be disclosed to and reviewed by law enforcement agencies and regulatory authorities. Additionally, the Client agrees to comply with all relevant anti-money laundering and counter-terrorism financing laws, including but not limited to the requirement to obtain satisfactory evidence of the identity of any principal the Client may represent in any transaction with **Finovative AI**.

14. ELECTRONIC VERIFICATION TERMS AND CONDITIONS

a) **Finovative AI** is required by anti-money laundering and counter-terrorism financing regulations to verify the Client's identity before providing services. Electronic verification allows **Finovative AI** to verify the Client's identity using electronic tools and external data sources.

b) To verify a Client's identity electronically, **Finovative AI** will request the Client's personal details (such as name, address, date of birth) and information regarding identification documents.

c) By accepting these terms and conditions, the Client agrees that:

i. **Finovative AI** may use and disclose personal information for the purposes of electronic verification as outlined above.

ii. Providing false or misleading information about one's identity is a criminal offense under anti-money laundering and counter-terrorism financing laws.

15. DISPUTE RESOLUTION

a) Please refer to our dispute resolution policy for information on how complaints are handled under the Agreement. You acknowledge that our internal and external dispute resolution procedures do not prevent us from initiating proceedings in any relevant jurisdiction to enforce a complaint determination.

16. NOTICES AND COMMUNICATIONS

a) **Finovative AI** may, within the scope of your authorization, send communications related to

the Agreements to you or your Authorized Person.

b) Unless the Agreements specify otherwise, all notices, certificates, consents, approvals, waivers, and other communications under the Agreements must:

- i. Be sent via email or other methods specified by **Finovative AI** from time to time.
- ii. Be signed or issued by the sender (if an individual) or an Authorized Officer of the sender.
- iii. Be considered received upon sending unless the sender receives an automated response indicating that the email was not delivered.

c) Communications take effect from the time they are received, unless a later time is specified in the communication.

17. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the International Business Companies Act, 1999 and the applicable laws of **Switzerland**.

18. SEVERANCE

a) If any provision of this Agreement is void, illegal, or unenforceable, it shall be ineffective only to the extent of its illegality or unenforceability, but the remaining provisions of the Agreement will remain valid and enforceable.

b) Any present or future legislation that affects the Client's obligations under this Agreement in a way that negatively impacts **Finovative AI**'s rights, powers, or remedies (including delay or postponement) is excluded, unless its exclusion is prohibited or rendered ineffective by law.

19. FURTHER ACTS

a) This Agreement may consist of several copies, each signed by one or more parties. These signed copies will be treated as forming a single document.

b) The Client agrees to take any reasonable actions requested by **Finovative AI**, including obtaining consents, signing and providing documents, and arranging for documents to be completed and signed:

- i. To ensure the Client and any other relevant parties are bound by the terms of this Agreement.
- ii. To demonstrate the Client's compliance with this Agreement.
